

UNITED STATES DISTRICT COURT
NORTHERN DISTRICT OF CALIFORNIA
SAN JOSE DIVISION

On August 11, 2011, Defendants filed a motion for summary judgment, which is set for hearing on Thursday, September 15, 2011. *See* Dkt. #128. Pursuant to the Court's Local Rules, Plaintiff's opposition is due by August 25, 2011, and Defendant's reply is due by September 1, 2011. However, on August 22, 2011, counsel for Plaintiff filed a motion requesting an order extending the time to file Plaintiff's opposition from August 25, 2011 to September 15, 2011. *See* Dkt. #129. Counsel for Plaintiff represents that good cause exists because of an unforeseen family crisis.

1 hearing on Defendants' motion is continued to Thursday, October 20, 2011 at 1:30 p.m. The other
2 case deadlines remain as set. Further requests for extensions are strongly disfavored.
